ANNUAL REPORT 1981

TOWN OF BOW

University of New Hampshire
Library

ARE YOU INTERESTED IN HISTORIC LANDMARKS?

Would you like to join a group dedicated
to preserving an old church building?

The BOW BOG MEETING HOUSE, built in 1835, is one of the few remaining historic buildings in Bow. This church building, formerly the First Methodist Church, was deeded in 1951 to a group of Bow residents who incorporated and formed The Bow Bog Meeting House Society. The purpose of the society is to preserve and maintain the building as a house of worship. Trust funds, donations and bequests have enabled the society to carry on this work. Restoration of the singing gallery and replastering of ceiling and walls was completed in 1970. The bell which hangs in the belfry was donated in 1903 by Mrs. Mary Baker Eddy, founder of the Christian Science Church and a former Bow native and resident.

Usually one or two ecumenical services (including the annual Thanksgiving service) and one Christian Science service, are held each year, and the church has been used on several occasions for weddings and christenings.

Today, after a span of 30 years, membership in the society has been reduced to a handful of charter members and Bow residents who have joined in the work.

Each year in early May the society holds its annual business meeting, to elect officers, appoint committees, and discuss and plan any work projects for the year.

The society needs new members to help in the continuation of this work. There are no membership fees or dues — just an interest in preserving a little of Bow's heritage.

We, the Selectmen of the Town of Bow, hereby dedicate this 1981 Town Report to Paul A. Lindquist.

Paul is retiring from town service on March 26, 1982. We are going to miss him. Paul has done it all over the years and has served on many Committees and Commissions and has been elected to many Town offices, as well as serving full time as Road Agent, and lately as the Assistant Building Inspector.

Paul's experience and expertise in Town government has served us well over the years and even though he will be away from the mainstream of the every day workings of government, we will be looking to him often for advice.

Paul started with the Town of Bow in 1955 as a Special Police Officer and served 4 years in this capacity. Then 9 years as Selectmen, 6 years on the Board of Adjustment, 3 years on the Planning Board, 1 year on the Budget Committee, 2 years on the Highway Safety Committee, 3 years on the Advisory Board to the Conservation Commission, 12 years as Sexton, 20 years as Trustee of Trust Funds, 8 years as Bow's Representative on the Central N.H. Regional Planning Commission, 8 years as Road Agent and 3 years as Assistant Building Inspector.

Paul has somehow give 79 years of service to the Town of Bow over a span of 27 years!

We shall miss this remarkable, easy-going knowledgeable gentleman.

Good luck, Paul.

RECORD OF ANNUAL TOWN MEETING

Bow, N.H. March 10, 1981

A small prayer led by Moderator James R. Bucknam followed by the Pledge of Allegiance opened the Annual Town Meeting for the Legal Voters of the Town of Bow at 7:00 P.M. at the Bow Memorial School. After a brief announcement by Mr. Bucknam of the Roberts Rules of Order, which were to be followed. The Annual Meeting proceeded. The results of the Town Ballot Election were read:

Town Clerk	Cynthia M. Batchelder	728	
Selectman	William H. Hilton, Jr.	674	
Town Treasurer	Joan P. Lyford	713	
Sewer Commissioner	Raymond W. Godbout	676	
Water Commissioner	Cedric Dustin	28	(write in)
Budget Committee	Robert H. Brotherton	100	
Budget Committee	Alan S. Lindquist	317	
Budget Committee	John R. Violette	266	
Budget Committee	Michael Wagner	358	
Budget Committee	Alfred H. Ward	381	
Library Trustee	Norman P. Fortin	375	
Library Trustee	Frank Weinheimer	357	
Trustee of Trust Funds	Ira R. Evans	676	

Article No. 2: The article to raise and appropriate the sum of Sixty Thousand Dollars (\$60,000.00) for the purpose of constructing a two bay addition to the Highway Garage was defeated.

Recommended by the Budget Committee.

Article No. 3: It was voted to raise and appropriate a sum not to exceed Eighty-Seven Thousand Dollars (\$87,000.00) for the purchase of a new fire truck, and to authorize the Selectmen to withdraw Five Thousand Dollars (\$5,000.00) of this amount from the Capital Reserve Fund established for this purpose, and the remainder to be raised by taxation by a simple majority vote of: 177 - yes; 117 - no.

Not recommended by the Budget Committee.

Article No. 4: The article to purchase a new fire truck at a cost not to exceed Eighty-Seven Thousand Dollars (\$87,000.00) and to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) for this purpose,

to authorize the Selectmen to withdraw Five Thousand Dollars (\$5,000.00) from the Capital Reserve Fund established for this purpose and to also authorize the Selectmen to issue notes for the remaining Forty-Two Thousand Dollars (\$42,000.00); said notes to be payable in the year 1982; was defeated 201 to 104 as a two-thirds majority vote was needed to pass the article.

Recommended by the Budget Committee.

Article No. 5: It was voted to appropriate the sum of Twenty-Nine Thousand, Five Hundred Dollars (\$29,500.00) to replace a loader/backhoe, and to authorize the Selectmen to withdraw the amount required for this purpose from the Capital Reserve Fund for Replacement of Highway Equipment.

Recommended by the Budget Committee.

Article No. 6: It was voted to authorize the Selectmen, through the Water Commission to conduct a study to identify sources of water within the Town which could be used for public water supplies should it become necessary in the future, and to appropriate a sum not to exceed Fifteen Thousand Dollars (\$15,000.00) for this purpose and to authorize the Selectmen to withdraw the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Recommended by the Budget Committee.

Article No. 7: It was voted to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to improve the public highway known as the Dunbarton Center Road, the State to furnish an equal amount.

Recommended by the Budget Committee.

Article No. 8: It was voted to appropriate the sum of Seven Thousand Six Hundred Ninety Dollars (\$7,690.00) to replace a police cruiser, and to authorize the Selectmen to withdraw the amount required for this purpose from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

Recommended by the Budget Committee.

Article No. 9: The amendment to see if the Town will vote to authorize the Board of Selectmen, through the Trustees of Trust Funds, to purchase a piece of equipment suitable to excavate graves at a cost not to exceed Eight Thousand Two Hundred Dollars (\$8,200.00) and to withdraw the amount required for this purpose from the Town of Bow Cemetery **Trust Fund** from the sale of Cemetery Lots established in 1958 for the general care of cemeteries was defeated.

The article to see if the Town will vote to appropriate a sum of money not to exceed Eight Thousand Two Hundred Dollars (\$8,200.00) to purchase a

piece of equipment suitable to excavate grave sites in the cemeteries, and to authorize the Selectmen to withdraw the amount required for this purpose from the **Capital Reserve Fund** established in April 1958 was also defeated.

Recommended by the Budget Committee.

Article No. 10: It was voted to raise and appropriate the sum of One Thousand Three Hundred Seventy-Two Dollars (\$1,372.00) for Town Road Aid Construction, the State to furnish the amount of Nine Thousand One Hundred Forty-Five Dollars and Ninety-Eight Cents (\$9,145.98).

Recommended by the Budget Committee.

Article No. 11: It was voted to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for use as set offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount
Town Building Maintenance.	\$12,000.00
Town Dump	42,385.00
General Highway Expense	10,000.00
	\$64,385.00

Recommended by the Budget Committee.

Article No. 12: It was voted to authorize the Selectmen to withdraw from the Forest Management Fund, the sum of Fifteen Thousand Dollars (\$15,000.00) to be used for the reduction of taxes.

Recommended by the Budget Committee.

Article No. 13: It was voted to authorize the Selectmen, pursuant to RSA 31:89-b and RSA 31:89-c and d. to establish a Historic District Commission for the purpose of the preservation of structures and places of historic value in Bow. Said Commission to be appointed by the Selectmen, and made up of not less than five nor more than seven members, one being a member of the Board of Selectmen, and one being a member of the Planning Board.

Article No. 14: It was voted to accept a gift of money from the Bow Grange amounting to Seven Hundred Fifty Dollars (\$750.00) and to authorize the Selectmen to establish a Capital Reserve Fund for the maintenance of the Bow

Town Hall, and to deposit said Seven Hundred Fifty Dollars (\$750.00) into said fund.

Article No. 15: The article was amended to vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any City, Town, or other governmental unit of the State to five percent “except by a Two-Thirds vote of those present and voting” was passed. However, the whole article was then defeated.

By Petition.

Article No. 16: It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

Article No. 17: It was voted to accept the budget as \$1,396,984.00 after removing \$60,000.00 from the Highway Garage and \$8,200.00 for cemetery equipment.

Article No. 18: It was voted to accept reports as printed in the Town Report.

Article No. 19: As there was no more business to transact, the meeting adjourned at 11:30 P.M.

Cynthia M. Batchelder
Town Clerk

RECORD OF SPECIAL TOWN MEETING

Bow, N.H. October 6, 1981

The Special Town Meeting for the Legal Voters of the Town of Bow was called to order at 8:00 P.M. by Moderator James R. Bucknam. After Mr. Bucknam stated that the Roberts Rules of Order were to be followed, the meeting proceeded:

1. To see what action the Town will take with respect to the amendments to the existing Town Zoning Ordinance as proposed by the Planning Board by voting by ballot upon the following:

A. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment would add to the statement of purpose of the Zoning Ordinance a reference to planned and orderly growth and the Capital Improvement Program now being developed to meet future needs of the Town).

YES - 355 NO - 188

B. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment provides that certain agricultural uses will not be considered a nuisance unless the Town Health Officer finds that the use is injurious to the public health or safety.)

YES - 359 NO - 187

C. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment makes the Town's Building Code a part of the Zoning Ordinance for purposes of administration and enforcement.)

YES - 348 NO - 192

D. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment modifies the definition of multi-family dwelling to three families rather than two, to reflect the new,

separate definition of duplex use.)

YES - 199 NO - 346

E. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment expands and clarifies the existing definition of family in the Zoning Ordinance.)

YES - 313 NO - 224

F. Are you in favor of the adoption of Amendment No.6 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment adds a new definition of "Residential Lot" to the Zoning Ordinance and incorporates the definition of "Lot" in existing Section 3.20.)

YES - 319 NO - 213

G. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment adds a definition of Building Code (incorporated as part of the Zoning Ordinance by Amendment No. 3) and defines "Duplex" and "Relatives Apartment", two new uses which previously were only defined in the Ordinance as multi-family dwellings.)

YES - 309 NO - 230

H. Are you in favor of the adoption of Amendments No.8, 9, and 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(These amendments would modify Section 4.01 and Section 5.02 to increase the number of zoning districts to nine if the new zoning districts proposed by Amendment No. 39 are approved by the voters.)

YES - 260 NO - 253

I. Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment simply provides a cross reference to the Article of the Zoning Ordinance which governs special exceptions.)

YES - 338 NO - 164

J. Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment makes clear that only one “one-family dwelling” is permitted on any approved lot, and deletes the reference to Article 14.06 (c) regarding special exception because by Amendments No. 15, 16, 17, 19, 21 and 22 the voters are being asked to prohibit one-family dwellings in commercial and industrial zones, where they are presently allowed by special exception.)

YES - 302 NO - 220

K. Are you in favor of the adoption of Amendment No. 13 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment requires any accessory dwelling unit to meet the same requirements of frontage and area as it would were it a separate dwelling unit on its own lot.)

YES - 276 NO - 248

L. Are you in favor of the adoption of Amendment No. 14 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment adds as categories in the Table of Use Regulations three types of residential uses defined in Amendment No. 7 and Amendment No. 25.)

YES - 254 NO - 243

M. Are you in favor of the adoption of Amendments No. 15, 16, 17, 19, 21 and 22 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(These amendments modify the Table of Use Regulations contained in Section 5.02 so that the table will conform to the new zoning districts proposed by Amendments No. 39, if the new districts are approved by the Voters. If any new district is not approved, the zoning classification and table of use regulations for that district presently in force will remain in effect.)

YES - 282 NO - 220

N. Are you in favor of the adoption of Amendment No. 18 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment increases the required distance of any

animal hospital or commercial kennel from dwellings or residential districts.)

YES - 372 NO - 147

O. Are you in favor of the adoption of Amendment No. 20 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment breaks down agricultural uses in the Table of Use Regulations into more categories than the present Zoning Ordinance.)

YES - 297 NO - 219

P. Are you in favor of the adoption of Amendment No. 23 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment modifies the Table of Dimensional Requirements contained in Section 6.02 to establish dimensional requirements for the new zoning districts if the voters approve Amendments No. 39. For any proposed zoning district which is not approved, the dimensional requirements presently in force would remain in effect.)

YES - 269 NO - 228

Q. Are you in favor of the adoption of Amendment No. 24 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment adds a new section (Section 6.03) which reduces the dimensional requirements in the event that public sewers are available to service the lot.)

YES - 234 NO - 289

R. Are you in favor of the adoption of Amendment No. 25 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(In several areas of Bow the subdivision of land and reservation of rights of way to remaining land of the developer has created land which cannot be developed without further subdivision because its frontage on a town road is only the width of the right of way and inadequate as a building lot under the Ordinance. This amendment is designed to allow, as an alternative to further subdivision, the utilization of such a lot without sufficient frontage for single dwellings.)

Yes - 206 NO - 320

S. Are you in favor of the adoption of Amendment No. 26 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment is intended to prohibit use of recreational equipment as living quarters while not interfering with occasional use of such vehicles for sleeping purposes.)

YES - 360 NO - 168

T. Are you in favor of the adoption of Amendment No. 27 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment states the method of presenting a complaint concerning zoning violations.)

YES - 371 NO - 143

U. Are you in favor of the adoption of Amendment No. 28 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(The amendment adds enforcement of the Building Code to the Building Inspector's duties under this Ordinance.)

YES - 367 NO - 154

V. Are you in favor of the adoption of Amendment No. 29 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment states the duty of other town officials to assist the Building Inspector in enforcing this Ordinance.)

YES - 360 NO - 158

W. Are you in favor of the adoption of Amendment No. 30 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment broadens the definition of when a building permit is required.)

YES - 327 NO - 194

X. Are you in favor of the adoption of Amendment No. 31 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment adds the requirement of compliance with Building Code prior to issuance of a Certificate of Occupancy.)

YES - 349 NO - 166

Y. Are you in favor of the adoption of Amendment No. 32 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment makes it clear that a building permit is good for one year from issuance. If the work called for were not completed within a year, an extension of the permit would be required. This is designed to facilitate the Building Inspector's administration of this ordinance.)

YES - 382 NO - 150

Z. Are you in favor of the adoption of Amendment No. 33 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment formally deletes Bow's "growth ordinance", which has already expired by its own terms at the 1981 Town Meeting.)

YES - 337 NO - 176

AA. Are you in favor of the adoption of Amendment No. 34 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment provides for signed written complaints of zoning violations to be submitted to the Building Inspector.)

YES - 393 NO - 129

BB. Are you in favor of the adoption of Amendment No. 35 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment states an additional condition for the granting of a variance, which is consistent with the standards set by the New Hampshire Supreme Court.)

YES - 360 NO - 154

CC. Are you in favor of the adoption of Amendment No. 36 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment adds specific reference to adequate parking as a condition to the allowance of a special exception.)

YES - 366 NO - 154

DD. Are you in favor of the adoption of Amendment No. 37 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment reflects the elimination of special exceptions for one-family dwellings in commercial and industrial zones.)

YES - 243 NO - 267

EE. Are you in favor of the adoption of Amendment No. 38 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment amends the provisions of Section 1406 (d) relative to special exceptions for multi-family dwellings to specifically refer to the separately defined uses of duplex and relatives' apartment proposed elsewhere in this ballot.)

YES - 248 NO - 261

FF. Are you in favor of the adoption of Amendment No. 39 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(1) Amend the Zoning Map of the Town of Bow to create a Civic Zone (CIV) at the junction of Logging Hill, Knox, Bow Center and White Rock Hill Roads, more particularly described as follows:

Lots 109, 110, and 147, in Block 3, Lot 68 in Block 5 and Lot 73 in Block 4.

As said zone is depicted on a map showing the proposed zoning changes filed with the Bow Town Clerk and posted at the polling place for this Special Town Meeting.

YES - 307 NO - 223

(2) Amend the Zoning Map of the Town of Bow to define the Limited Industrial Zone (I-I), located along Dow Road west of Interstate 93 to include the following additional lots:

Lots 47, 48, 49A, 75, and the remainder of Lots 42 and 42B in Block 5.

As said zone is depicted on a map showing the proposed zoning changes filed with the Bow Town Clerk and posted at the polling place for this Special Town Meeting.

YES - 256 NO - 270

(3) Amend the Zoning Map of the Town of Bow to create a Commercial (c) Zone along the west side of Route 3A from Old Hill Road to the existing Commercial Zone near

Grandview Road, more particularly described as follows:

All of the lots fronting on the west side of Route 3A from Old Hill Road to Grandview Road — more specifically — Lots 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136 and 137 in Block 1, Lots 62, 62A, 62C, 62D, 62E, 62K, 62H, and 62I in Block 5, as well as Lot 1 in Block 5 on the east side of Route 3A and Lot 81A in Block 1 on the east side of Route 3A.

As said zone is depicted on a map showing the proposed zoning changes filed with the Bow Town Clerk and posted at the polling place for this Special Town Meeting.

YES - 276 NO - 252

(4) Amend the Zoning Map of the Town of Bow to create an Institutional Zone (INST) bounded by Interstate 89, Interstate 93, and the Bow/Concord town line.

As said zone is depicted on a map showing the proposed zoning changes filed with the Bow Town Clerk and posted in the polling place for this Special Town Meeting.

YES - 259 NO - 264

(5) Amend the Zoning Map of the Town of Bow to divide the existing Rural Zone (RU) into two Rural and Agricultural Zones (RA-1 and RA-2) separated by a line running west to east from the Bow-Dunbarton Town Line, along the centerlines of North Bow-Dunbarton Road, Page Road to Branch-Londonderry Turnpike along Branch-Londonderry Turnpike to Robinson Road and along Robinson Road to Interstate 93.

As said zone is depicted on a map showing the proposed zoning changes filed with the Bow Town Clerk and posted in the polling place for this Special Town Meeting.

YES - 250 NO - 280

GG. Are you in favor of the adoption of Amendment No. 40 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(This amendment would delete all references to the Rural (RU) district and substitute reference to Rural Agricultural - 1 (RA-1) and Rural Agricultural - 2 (RA-2) as required. This amendment would take effect only if the proposed RA-1 and RA-2 zones are approved by the voters.)

YES - 263 NO - 247

Article 2: It was voted upon closing of the polls to recess all further business under the warrant, and to reconvene at the Bow Memorial School auditorium at 8:00 P.M. in the evening of this date for the resumption of the meeting.

Article 3: It was voted to authorize the Selectmen to sell a certain parcel of land located on the north side of the Albin Road and designated as Block 1, Parcel 3 on the town map containing one acre, more or less, and commonly known as the Desrosia Lot, said premises having been obtained by the Town in 1965, and to authorize the Selectmen to convey the property by public auction, advertised sealed bids or such other manner as the Selectmen deem to be in the best interest of the Town and to further authorize the Selectmen to establish such terms and conditions of the sale, including a minimum price for the property as they deem to be in the best interest of the Town.

Article 4: It was voted to authorize, through the Board of Selectmen an aerial spraying program for Gypsy Moth Caterpillars in the Town of Bow. Said program to be conducted at the most effective time in the Spring of 1982. (By Petition)

Article 5: It was voted to allow the Bow Rescue Squad to construct an appropriate building on Town property for the use of the Bow Rescue Squad as a meeting/training area and a garage for the rescue vehicle, said building to be erected east of the Community Building on Knox Road; provided that the building shall be constructed by the Bow Rescue Squad without cost to the Town and the building shall be owned by the Town.

Article 6: It was voted 106 to 39 to have the Moderator appoint a committee of five residents to make a study of a Town Manager form of government; such study to include at least one public informational meeting, and the committee to report the results of its study to the Selectmen no later than January 15, 1982. (By Petition)

Article 7: It was voted to delegate to the Recreation Commission the authority conferred by RSA 35-B and to authorize the Selectmen to appoint one of its members to be an ex-officio member of the Commission pursuant to RSA 35-b:4.

Article 8: As there was no more business to transact, the meeting adjourned at 8:50 P.M.

Cynthia M. Batchelder
Town Clerk

PETITION FOR RECOUNT

Bow, N.H. October 21, 1981

A petition for a recount of Eleven (11) of the Ballot Questions cast for the Proposed Zoning Amendments at the Special Town Meeting held October 6, 1981 was received October 14, 1981. The recount was held October 21, 1981 and the results of that recount are as follows:

	YES	NO
H	255	250
K	275	247
L	251	245
P	265	227
DD	239	265
EE	251	255
FF-2	247	279
FF-3	271	253
FF-4	255	274
FF-5	249	277
GG	259	251

Cynthia M. Batchelder
Town Clerk

SELECTMEN'S MESSAGE

The year 1981 brought several changes to the Town. Soon after Town Meeting the Selectmen appointed a new Police Chief. Acting Police Chief Peter A. Cheney who has been with the Police Department for 8 years was appointed to the position.

To alleviate crowded conditions at the Highway Garage one of the mechanics was moved to the back garage at the Community Building to perform the repairs on the school buses, fire trucks, police and rescue vehicles.

The Planning Board adopted the Master Plan and some of the Zoning changes were approved by the Townspeople at the October Special Town Meeting.

In a continuing effort for energy conservation at the Municipal Building the old, large schoolhouse windows have been replaced with smaller thermopane sash. This year three rooms were changed and the remaining three rooms to be completed this coming year.

This years Town Meeting will consider a number of special issues that the voters should be aware of, two of which concern the future growth of the Town.

Townspeople at the 1976 annual meeting authorized the Sewer Commission to negotiate an agreement with the City of Concord for a ten percent share of the Hall Street Wastewater Treatment Facility. Due to the lapse in time and changes in the conditions of the agreement, it has been recommended by the Town Attorney that the matter again be placed before the voters.

The agreement with Concord Sanitary Landfill excludes any industrial or commercial wastes from new businesses in the Town. The Selectmen are concerned that this will possibly limit growth in the community in these areas. To correct this situation it will be necessary for Bow to operate its own landfill. An article in the Warrant will ask the voters to appropriate a sum of money for aquisition of land and equipment to provide this facility.

As you know a large percentage of the Town was plagued by the Gypsy Moths last year, at the Special Town Meeting held October 6th it was voted that the Selectmen investigate the feasibility of having the Town sprayed for Gypsy Moth control. You will find an article in the Warrant to vote on this matter.

In 1976 the Selectmen approved a recommendation for the Police, Fire

Department and Rescue Squad to number all dwellings in Town. With the help of the people in the Town Engineers office, we are pleased to say this has been completed. Townspeople may check with us on voting day or anytime at the Town Engineers office as to their assigned number. We hope that everyone will display their numbers so it is easily visible to assist these departments in locating a particular building in an emergency situation.

Copies of the Town History "100 Acres More or Less" are still available at \$20.00 each at the Selectmen's Office. Also, Bi-Centennial and 250th Anniversary coins are available.

The yearly operation of the Town involves many Boards, Commissions and Committees. The Selectmen wish to encourage residents to volunteer to serve in these appointed positions.

Each year brings increased demands upon Town services and the personnel that provide them. The Selectmen wish to express their thanks to all of the Department Heads and Town Employees for their efforts this year.

Sara H. Swenson,
Chairman
Reginald R. Scott
William H. Hilton

TOWN WARRANT

1982 ANNUAL MEETING OF TOWN OF BOW

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Bow, in the County of Merrimack, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Bow Community Building in said Bow on Tuesday, the 9th day of March, 1982 at 10 o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 through 5 will be by official ballot, and the polls shall open for balloting at ten o'clock in the forenoon and shall not close before seven o'clock in the evening.

You are further notified, in accordance with the provisions of RSA 39:2-a adopted at the 1980 annual meeting of the Town of Bow, to meet at the Bow Memorial School in said Bow on Wednesday, the 10th day of March, 1982 at 7.00 o'clock in the evening, to consider the remaining Articles of this Warrant.

1. To choose by non-partisan ballot the following Town Officers:

- One Selectman for three years.
- A Moderator for two years.
- A Town Treasurer for one year.
- A Town Clerk for one year.
- Two members of the Budget Committee for three years.
- One Library Trustee for five years.
- One Library Trustee for four years.
- One Water Commissioner for three years.
- One Water Commissioner for two years.
- One Sewer Commissioner for three years.
- One Trustee of Trust Funds for three years.
- One Supervisor of Check List for six years.

2. To see if the Town will vote to amend the Zoning Ordinance, as proposed by petition of the voters for this Town, so as to allow Duplex dwellings by special exception in all Districts, subject to the availability of public sanitary sewers, and to this end to amend Article V Use Regulations, Section 5.02 (a-9) by adding after the word "Duplex" the words "subject to the availability of public sanitary sewers", and to amend the chart for Duplex use

to read as follows:

<u>RU</u>	<u>R</u>	<u>C</u>	<u>I-1</u>	<u>I-2</u>	<u>FA</u>	<u>FB</u>	<u>CIV</u>
S	S	S	S	S	S	S	S

(By Official Ballot)

3. To see if the Town will vote to amend the Zoning Ordinance, as proposed by petition of the voters for this Town, to allow Relatives' Apartments by special exception in all Districts, and to this end to amend Article V Use Regulations, Section 5.02 (a-10) so that the chart for Relatives' Apartments will read as follows:

<u>RU</u>	<u>R</u>	<u>C</u>	<u>I-1</u>	<u>I-2</u>	<u>FA</u>	<u>FB</u>	<u>CIV</u>
S	S	S	S	S	S	S	S

(By Official Ballot)

4. To see if the Town will vote to amend the Zoning Ordinance and accompanying Zoning Map, as proposed by petition of the voters for this Town, so as to transfer three certain properties which are located in the vicinity of Grandview Road and Valley Road from the R District(Residential) to the C District(Commercial), such properties being specifically described as follows:

- #1. Property of Jerry M. & Linda C. Venne
Town Map Block #1, Lots #49 and #90
- #2. Property of Kenneth E. & Hortensia M. Blevens
Town Map Block #1, Lot #91
- #3. Property of Richard & Carol A. Przybyla
Town Map Block #1, Lots #84 and #92

(By Official Ballot)

5. To see if the Town will vote to adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax. These provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married, a combined net income of less than \$12,000, and own assets of \$30,000 or less,

excluding the value of the person's residence.
(By Official Ballot)

6. To see if the Town will vote to appropriate the sum of One Hundred Twenty Five Thousand Dollars (\$125,000.00) for the purpose of acquiring and preparing land for a sanitary landfill for the Town of Bow; and to raise by taxation in the current year Thirty Five Thousand Dollars (\$35,000.00) of such appropriation; and in order to finance the balance of such appropriation, to authorize the Selectmen to borrow in the name of the town a sum not to exceed Ninety Thousand Dollars (\$90,000.00) by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act, as amended (RSA 33 and amendments thereto), and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other and further actions as in their judgement may be necessary and in the best interest of the Town to effect the issuance, negotiation, sale and delivery of such bonds or notes.

(Recommended by the Budget Committee)

7. To see if the Town will vote to authorize the Bow Sewer Commission to enter into an agreement on behalf of the Town with the City of Concord pursuant to the provisions of RSA 53-A whereby the City would receive, treat and dispose of waste of the Town and the Town would pay to the City an apportioned amount of the capital and operating costs of such facilities, the agreement to conform in substance to the proposed agreement presently on file in the offices of the Town Clerk and Selectmen but the final terms and conditions of the agreement to be determined by the Commission with approval of the Selectmen with such changes or amendments as the Commission and Selectmen deem to be necessary or advisable in the best interest of the Town and to be approved as to form and compliance with State laws by Town counsel and the Attorney General; and to further raise and appropriate the sum of \$18,203.00 which is the Town's estimated share of the capital costs for the 1982 (the first year of the 20 years during which the town is to make annual payments toward such capital costs).

(Appropriation Recommended by Budget Committee)

8. To see if the town will vote to raise and appropriate the sum of One Hundred Fifteen Thousand Dollars (\$115,000.00) for the purpose of control of the gypsy moth larvae in 1982, the areas to receive aerial spraying to be established by the Board of Selectmen after consultation with insecticide experts and individual property owners; and to instruct the Selectmen to apply for any State or Federal monies that may be available to reimburse the Town for the amount so expended.

(Recommended by the Budget Committee)

9. To see if the Town will vote to appropriate the sum of Twenty Nine Thousand Two Hundred Fifty Dollars (\$29,250.00) to be added to the Capital Reserve Fund for the Replacement of Highway Equipment, and to fund such appropriation by authorizing the withdrawal of such sum for such purpose from the Federal Revenue Sharing Fund.

(Recommended by the Budget Committee)

10. To see if the Town will vote to appropriate the sum of Eleven Thousand Three Hundred Seventy Dollars (\$11,370.00) to be added to the Capital Reserve Fund created in 1970 for Replacing Police Department Equipment, and to fund such appropriation by authorizing the withdrawal of that sum for such purpose from the Federal Revenue Sharing Fund.

(Recommended by the Budget Committee)

11. To see if the Town will vote to appropriate the sum of Eleven Thousand Dollars (\$11,000.00) to replace the base station Console for the Police Department, and, in order to fund such appropriation, to authorize the Selectmen to withdraw such sum from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

(Recommended by the Budget Committee)

12. To see if the Town will vote to appropriate the sum of Seven Thousand Dollars (\$7,000.00) to replace a pick up truck for the Highway Department, and, in order to fund such appropriation, to authorize the Selectmen to withdraw such sum from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

(Recommended by the Budget Committee)

13. To see if the Town will vote to appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) to replace a truck mounted spreader, and, in order to fund such appropriation, to authorize the Selectmen to withdraw such sum from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

(Recommended by the Budget Committee)

14. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to improve the public highway known as the Dunbarton Center Road, the State to furnish an equal amount.

(Recommended by the Budget Committee)

15. To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Sixty Six Dollars (\$1,366.00) as the Town's share of Town Road Aid Construction, the State to furnish the sum of Nine

Thousand One Hundred One Dollars and Twenty Nine Cents (\$9,101.29).
(Recommended by the Budget Committee)

16. To see if the Town will vote to authorize the Selectmen to withdraw from the Forest Management Fund the sum of Ten Thousand Dollars (\$10,000.00) to be used for the reduction of taxes.
(Recommended by the Budget Committee)

17. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Two Hundred Dollars (\$8,200.00) to purchase a new police cruiser.
(Recommended by the Budget Committee)

18. To see if the Town will vote to authorize the Selectmen to transfer the previously encumbered sum of Nine Thousand Eight Hundred Sixty Five Dollars (\$9,865.00) (such sum being the remainder of Ten Thousand Dollars (\$10,000.00) appropriated under Article 15 of the Warrant of the 1970 Annual Meeting of the Town for improving the construction of the public highway and bridge (dry bridge) known as River Road) to the General Fund as Surplus to be used for the reduction of taxes.
(Recommended by the Budget Committee)

19. To see if the Town will vote to appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to be added to the Capital Reserve Fund heretofore established for the Acquisition of a Tax Map, and to fund said appropriation by authorizing the withdrawal of such sum for such purpose from the Federal Revenue Sharing Fund.
(Recommended by the Budget Committee)

20. To see if the Town will vote to accept, reopen and maintain as a Class V highway so much of Baker Road in Bow (formerly a Class V highway and now a Class VI highway) as lies between the northeasterly line of the Knox Road and the southwesterly line of land of the State of New Hampshire taken for I-93.
(By Petition)

21. To see if the Town will vote to accept the budget as submitted by the Budget Committee and determine the amount of appropriations to be raised to defray Town expenses, and to pass any vote in relation thereto.

22. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

23. To see if the Town will vote to authorize the Selectmen to appoint a committee of five residents, including one Selectman, to continue the study of the Town Manager form of government, such study committee to complete its study and make a written report and recommendation to the Selectmen not later than January 31, 1985.

24. To hear the reports of standing committees and take any action relating thereto.

25. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 19th day of February, in the year of our Lord nineteen hundred and eighty-two.

AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Bow
Bow, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Town of Bow, New Hampshire as of and for the year ended December 31, 1981, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Town of Bow, New Hampshire at December 31, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Bow, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

In connection with our examination we also (1) made a study and evaluation of the Town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing Act and regulation as required by Sections II.C.3 and III.C.3 of the "Audit Guide and Standards for Revenue

Sharing and Antirecession Fiscal Assistance Fund Recipients” (guide) issued by the Office of Revenue Sharing, U.S. Department of the Treasury and (3) compared the data of the Bureau of Census Form RS-8 to records of the Town of Bow as required by Section II.C.4 of the “Guide”.

Based on these procedures we noticed no instance of non-compliance with the regulations and no material differences between Census data on Form RS-8 and the records of the Town of Bow for the fiscal year ended December 31, 1981.

January 18, 1982

KILLION, PLODZIK & SANDERSON

Town Hall Maintenance.....	<u>847</u>
TOTAL.....	<u><u>\$ 33,186</u></u>

BOW ATHLETIC CLUB

As most of you know, the Bow Athletic Club was formed to support and enhance the athletic programs provided by the Recreation Department and the School. Over the seven years of its existence, the club has grown to meet the needs of our children. In 1981 alone, basketball was expanded to include a grade 5-8 girls team in the Merrimack Valley league, and a boy's feeder team (instructional) was organized. In the softball program three new teams were added to meet the sign up demand (now 9 teams). The fall saw perhaps the biggest addition of a whole new program of soccer where Bow participated in the Merrimack Valley League.

Following is a list of programs offered in 1981:

BASKETBALL	APPROXIMATE # OF PARTICIPANTS
Boys	
Grades 5-6	15
Grades 7-8	15
Grades 4-6 instr.	25
Girls	
Grades 5-8	18
Cheerleaders 5-6	15
Cheerleaders 7-8	15
BASEBALL	
Boys	
Minor League (instructional)	40
Junior League (ages 9-10 - 5 teams)	70
Independent (ages 11-12 - 5 teams)	60
Pony League (ages 13-15 - 2 teams)	30
SOFTBALL	
Girls	
Grades 3-7 (9 teams)	120
Grades - ages 13-17 (Jr. Miss)	20
FOOTBALL	
Ages 8-10	29
Ages 11-13	31

Cheerleaders	
Ages 8-10	8
Ages 11-13	8

SOCCER

Grades 3 & 4	26
Grades 5 & 6	29

TOTAL	574
-------	-----

To serve the 574 children as we did this year, it took dedication on the part of many people too numerous to mention. To all of you who volunteered your time to make our programs work, Thank you!

The funds to run the Athletic Club all come from donations, sponsorships, fund raisers, or registration fees. We would be remiss not to recognize the Civic organizations such as the Men’s Club, Rotary Club, Woman’s Club, and Snowmobile Club who all donated funds. To our many sponsors, Thank you. Our budget for 1982 will be over \$14,000 and your support will be needed to make 1982 an even better year.

The Board of Director’s hold a regular meeting the first Tuesday of each month at the community building and the public is more than welcome. Officers and Directors for 1981:

President:	Bob Gosling
Vice President:	Pete Colby
Treasurer:	Bill O'Donnell
Secretary:	Donna Shepard
Directors:	Mike Becker, Paul Dill, Ray Johnson, Lee Kimball, Ed Mullen, Dave Whalley, Ken McKenna, Dick Weed, Bob Keller, Rod Lindberg.

BAKER FREE LIBRARY ANNUAL REPORT

1981 has been another good year at Baker Free Library. We have welcomed many new families and many of our "little ones" enjoy our play pen and toys. Story Hour sponsored by the Bow Women's Club is a most popular attraction. The Fall session included a craft project also each week and what creations!

When the Selectmen asked us to consider a five year plan for the future, the Staff and Trustees decided to work towards a ramp for easier access to our building. In November Earl Beede asked us to accept a gift in memory of his father, Jack Bates. Earl wants to give us the cement sections for a ramp to be installed from our Northeast Avenue entrance to the parking lot. We will have to supply the foundation, railing and make the other necessary changes and additions. The Trustees are working out the details.

For the benefit of new folks in town, our Library Staff includes:

Mrs. Elizabeth Waite, Children's Librarian

Mrs. Virginia Brown, Desk Clerk

Mrs. Rose Drescher, Desk Clerk and Bookkeeper

Mr. Donald Foote, Custodian

Mrs. Helen Robinson, Head Librarian

We are open 21 hours per week:

June 1 through September 30

Monday 2:00 - 8:00 P.M.

Wednesday 10:00 A.M. - 6:00 P.M.

Friday 2:00 - 9:00 P.M.

October 1 through May 31

Monday 2:00 - 8:00 P.M.

Wednesday 10:00 A.M. - 6:00 P.M.

Friday 2:00 - 6:00 P.M.

Saturday 9:00 A.M. - 12 Noon

Please come in and register to borrow books, records and/or magazines. The teachers and librarians at both of our schools are very cooperative as we try to help your children to obtain a good education. Books are the keys to open the way to the "Good Life".

Helen H. Robinson
Librarian

Douglas King
Chairman, Board of Trustees

REPORT OF ZONING BOARD OF ADJUSTMENT

The members of the Bow Zoning Board of Adjustment held 12 regular monthly meetings during 1981 with four public hearings for Variances and four public hearings for Special Exceptions.

Close monitoring of gravel pit permits was made this year and will continue in the future with on site inspections and photographs included.

The members of the Zoning Board of Adjustment took an active part in cooperating with the Bow Planning Board to formulate the proposed zoning changes which were voted on this past October by the townspeople. Working together on these proposed changes as town boards brought new understandings and support to each board.

Many thanks to Ken Andrews, the Town Engineer, for his counsel and assistance in 1981.

We appreciate the cooperation and support of the Board of Selectmen and all other boards and commissions.

Respectfully submitted,

William Carpenter, Chairman
Win Robin, Secretary
Earl Vaughn
Jack Earle
Marge Beaulieu
Ray Godbout, Alternate
Sally Dillon, Alternate
Janet Dare, Recording Secretary

BOW COMMUNITY MEN'S CLUB

The Bow Community Men's Club is presently in its 34th year. It's purpose is to promote fellowship, understanding and service to the community.

There are currently 240 members involved in fund raising activities to provide financial support for youth programs in the Town of Bow. We support the Bow Athletic Club, Bow Recreation Department, Girl Scouts, Band Booster's Club and the Bow Men's Club is the chartering organization for the Boy Scouts and Cub Scouts in Bow.

The Bow Men's Club sponsors the Bow Citizen of the Year Award, "Eagle Recognition Night" honoring the Eagle Scouts of the Merrimack district and co-sponsors the Annual Spring Carnival. It also participated in Bow "Winterfest" activities.

During the past year we awarded (3) four-hundred dollar scholarships to Bow students graduating from high school. In addition we awarded savings bonds for scholastic accomplishments of Bow students graduating from junior high school.

Our meetings are held on the fourth Thursday of the month from September through May at the Bow Community Building beginning with a social hour at six o'clock followed by dinner at seven prepared by club members. Dinner is followed by a business meeting and a program.

Any man interested in membership in the Men's Club is cordially invited to attend one of our monthly meetings. Dues are \$5.00 annually.

Respectfully submitted,

C. William Johnson, President

TOWN BUILDING ADVISORY COMMITTEE

During 1981, the Committee met several times and submitted written recommendations to the Selectmen concerning maintenance, repairs, remodeling and reconstruction of all town buildings, except the schools.

These buildings are the Community Building, the Municipal Building, Old Town Hall, Old School House and Town Garage.

This Committee was reestablished at the March, 1971 Town Meeting to oversee the above buildings.

Present members are:

George F. Brochu	Term Expires 1982
Robert Chadwick	Term Expires 1983
Conrad Desmarais	Term Expires 1984
Catherine Hirsch, Secretary	Term Expires 1983
Dr. Ethan Howard	Term Expires 1984
Arthur Sinclair, Chairman	Term Expires 1982

Respectfully submitted,

Catherine C. Hirsch
Secretary

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and is often invited to participate in local planning projects.

As part of the ongoing technical assistance provided, the Commission has been pleased to be able to assist the Planning Board with the completion of the master plan update, various interpretations of newly passed state laws, review of proposed zoning and subdivision changes. The Commission has also assisted the recreation committee with the preparation of a recreation report.

The Commission again sponsored a series of legal seminars for local officials which was well attended.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and fully appreciates the past support of its activities by the Town of Bow.

Respectfully Submitted,

Kenneth A. Bradley
Paul A. Lindquist
Bow Representatives
to the Commission

BOW CONSERVATION COMMISSION ANNUAL REPORT

The Bow Conservation Commission(BCC) held 11 meetings during 1981. Gary Nysten and Bruce Fosburgh were welcomed as new members.

Steve Rhodes and Mark Judkins attended Summer Conservation Camp this past summer. Each year the BCC pays full tuition for two students age 14 to 18 to attend this camp. This experience would be of special interest to youth interested in careers in forestry or environmental science. Applications are now being accepted. Contact Faye Johnson 228-8149 for more information.

In October the BCC met with representatives of the Public Service Co. concerning their construction of a boat ramp recreational facility on River Rd. Plans are now in progress and it is hoped to have the project completed this year.

The timber harvest on Lot 97, Block 2 (Robinson Rd. - Bow Bog Brook area) has been completed realizing a profit to the town of \$126,609.95. The commission is working closely with the Fish and Game Department on a wildlife management program on this lot.

The Town Highway Department is removing gravel from a small area on this lot for use in constructing Allen Rd. Upon completion the area will be restored as part of the wildlife management program.

Survey of all major lots has been completed. Due to depressed timber prices, the BCC has not released any timber sales this past year but has worked on acquiring access roads and marking timber in preparation for an improved market.

A timber sale will proceed this year on Lots 88-A, et al., Block 2 (along I-93), which will include salvage of trees killed by gypsy moth infestation. If timber prices improve a timber harvest is anticipated on Lots 26 and 27, Block 4 (Clinton St.).

The BCC has had severely affected town forests inspected by a professional forester for advise on how best to handle the damage done by the gypsy moth infestation and has secured and reviewed available information from state and local agencies concerning suppression programs.

In the coming year the BCC will work on completing the boat ramp facility, continue work on a conservation zoning plan, proceed with timber sales on the

recommendation of a professional forester as the market warrants it and continue with management plans for all town lands within its jurisdiction.

Maps showing the location of all town-owned land are on display in the Town Office Building, 10 Grandview Rd. These are your town forests. We hope you will take time to enjoy them.

DISPATCH CENTER

Laurie Annis
Samuel Rowe
Lois Theuner
Vicki Marshall

*Tamar Maynard
*Gary Coffin
*Don DeAngelis

*part time

The Dispatch Center serves the public twenty-four hours a day every day of the year. It serves the public in many different ways daily. Many calls or inquiries are answered pertaining to town functions, weather and road conditions, directions, etc. as well as handling and recording telephone calls to Police, Rescue, Recreation, Highway and Community Building.

Radio transmissions for the past year were 36,700 for the Police and Rescue radios. This 32.5% increase over the 1980 radio transmissions was due mainly to increased cruiser patrols and time checks.

During 1981, the Dispatchers handled the following incoming and outgoing telephone calls:

Police	10,501	Recreation	996	
Rescue	278	Comm. Bldg.	295	
Fire	941	Highway	224	Total Calls 13,235

The Digital Alarm Receiver in the Dispatch Center continues to be a valuable asset to the dispatchers. The dispatcher can notify the cruiser, etc. immediately as the alarm comes in. It detects burglar, fire, heat loss, etc. The dispatcher gets a readout of the location and type of emergency that exists. Anyone interested in further information regarding this alarm system and any others may call the Bow Police Department.

The dispatchers are currently busy setting up the official town lot numbering system. The Dispatch Center will have an alphabetical listing on a Rolodex File by name which includes street number and street name of everyone in town including businesses as well as an alphabetical Street Listing File.

In order for this system to work effectively for EVERYONE and for your own good, I strongly recommend you proudly display your assigned number in the location and number size which will be recommended by the Board of Selectmen in the near future.

Please try to remember the following when calling an **EMERGENCY**:

1. **WHO** (who is calling)
2. **WHERE** (the location)
3. **WHAT** (what is the problem)

Be sure the dispatcher has acknowledged this vital information before hanging up the telephone. **PLEASE KEEP THIS NUMBER — 228-0511 — BY YOUR TELEPHONE.** Stickers for your home telephone containing emergency numbers are available at the Dispatch Center, which is located at the Fire Station.

Thank you to all the citizens of Bow for the cooperation and courtesy extended to the Dispatch Center and its personnel during the past year.

Sincerely,

Peter A. Cheney
Chief of Police

Robert T. Lougee
Director of Rescue Squad

REPORT OF THE BOW FIRE DEPARTMENT

The Fire Department answered 172 alarms during 1981 with an average response time of 2.2 minutes. The amount of alarms was down 31 from 1980. The breakdown of the alarms is listed below.

- 24 Miscellaneous Calls.
- 7 Structures Fire.
- 27 Chimney and wood stove problems.
- 16 Box alarms.
- 20 Motor Vehicle Accidents.
- 10 Wire's down or burning.
- 2 Residential Electrical Fires.
- 15 Motor Vehicle Fires
- 9 Brush or grass fires.
- 4 False alarms
- 1 Railroad Engine fire.
- 5 Mutual Aid drills.
- 32 Mutual Aid given.

We received Mutual Aid 25 times last year.

Although the amount of alarms was down from last year, our property loss was much greater due to 7 major structure fires.

Our Firefighters under the direction of the Training Officer Captain Nick Cricenti spent a total of 1668 man hours training during 1981. This figure does not include Mutual Aid drills or other schools which our Firefighters attended. These drills and schools would add many more hours. As a result of this training we now have a total of 19 Certified Firefighters. This means that the Firefighters meet minimum requirements prescribed by the N.F.P.A., National Fire Protection Association, and has the basic skills required of all Firefighters. This training requires about 120 hours per man.

We wish to extend our thanks to the Ladies Auxiliary for all they have done for us this past year.

A reminder to everyone that burns wood, we still furnish chimney brushes for anyone who wishes to clean their own chimneys.

The telephone number for a fire related emergency is **225-3355**.

Respectfully submitted,

Roger S. Ordway Sr.
CHIEF BOW FIRE DEPARTMENT

BUREAU OF FIRE PREVENTION ANNUAL REPORT

The voters of the Town of Bow adopted the "BOCA Fire Prevention Code" at the March, 1980 town meeting establishing the Bureau of Fire Prevention. The Fire Prevention Bureau enforces all laws and ordinances of the Town of Bow covering the prevention of fires, storage and use of explosives and flammables, installation and maintenance of automatic and other fire alarm systems and fire extinguishing systems, maintenance and regulation of fire escapes, means and adequacy of exit in case of fire from factories, schools, mercantile and commercial buildings and other places of assembly, the investigation of the cause, origin and circumstances of fires and the maintenance of fire cause and loss records.

Since the establishment of the Fire Prevention Bureau, we have conducted a total of 68 inspections of various commercial, industrial and mercantile buildings within the Town of Bow resulting in the issuance of 78 separate recommendations; worked closely with Ken Andrews, Building Inspector, in plans review and certificate issuance of six major building additions and several new construction facilities; concentrated on key commercial and industrial facilities within the town enabling the fire department to fire pre-plan these facilities and to make aware the department of process operations and business occupancy; have presented to six community service organizations our wood burning stove seminars and have conducted the National Fire Protection Association "Learn Not To Burn" presentation to both students of the Bow Memorial School and babysitting seminars held by the Bow Womens Club.

Dana Abbott and Lee Kimball have attended a week long class instruction at the University of New Haven in arson investigation; Nick Cricenti and Al Barrington have attended arson investigation seminars at Saint Anselm College; our technical inspectors have attended classes and seminars, all of which were done on a voluntary basis at their own time.

Our thanks to the fire prevention code committee who spent many hours of volunteer time researching and implementing the adopted code: Fire Chief Roger Ordway; Lt. Allan Barrington, Fire Inspector; Deputy Dana Ordway; Captain Nick Cricenti; Engineer Tony Camp; Engineer Carol French and Technical Inspectors Lee Kimball and Ron LaRoche. Our thanks to Ken Andrews, Bob Stevens and the Planning Board, Bill Hilton, Sara Swenson and Reginald Scott, Board of Selectmen who guided us through the ordinance making process. Our thanks to the many business and property owners, landlords and tenants without whose cooperation the success of our activities

could not be realized; and finally, our thanks to the voters of the Town of Bow who have traditionally stood behind us making this new Bureau possible.

Respectfully submitted,

Roger S. Ordway
Fire Marshall
Allan E. Barrington
Fire Inspector

HEALTH OFFICER REPORT

Inspection of a possibly contaminated brook, culture revealed no coliform organisms.

One home was inspected for a foster home license, which was approved by the State of N.H.

No reports of any serious communicable diseases.

Ethan V. Howard, Jr. M.D.
Health Officer

BOW GARDEN CLUB

The Bow Garden Club, a member of the National Council of State Garden Clubs, was founded in 1964. At present it has a membership of 36. Membership is open to anyone with an interest in gardening or working with plants in any way.

One of the goals of the club is to aid in the beautification of the town. The club has done the landscaping around the Baker Free Library, provided signs marking the plants and set up benches along the nature trail in the Bow Forest and very lately has worked on the beautification of the old dump site behind the fire station.

Various work shops are held through out the year on flower arranging with fresh flowers and working with dried materials. We attempt to help each other with horticulture and horticultural problems. Our speakers cover a wide range of subjects from gardening in containers to decorating for Christmas.

Many of our activities and social occasions center around the New Hampshire Federation of Garden Clubs and also in the Central District Region of which we are a part.

The club meets the second Monday of each month, in the morning, usually at the Baker Free Library. Anyone interested in joining the club should contact our Membership Chairman, Mrs. Marie Shumaker.

Lowthain D. Wagner

Helen Smith - Vice President
Natalie Macdonald - Secretary
Elizabeth T. Southmayd - Treasurer

BOW HISTORICAL COMMISSION

The Historical Commission meets each month on the third Wednesday at 7:30 p.m. in the Municipal Building on Grandview Road. This past year has been spent establishing priorities for concern and developing more detailed plans in two areas.

The Commission determined that of special concern would be: 1. establishing the date of construction and location of the oldest house in the Town of Bow; 2. providing for care and future use of the Old Town Hall in Bow Center; 3. explore the possibility of preserving some part of the grist mill site in Bow Mills.

Thus far we have compiled a lengthy collection of candidates for the oldest house in town, with none being so designated as yet. The following homes (and past or current owners) are under consideration at this time:

1. Robinson, Peter	Grandview Rd.	(ca.1780)
2. King, Rosella	Woodhill-Hooksett Rd.	(?)
3. Saltmarsh, Edward	White Rock Hill Rd.	(ca. 1771)
4. Colby, Frances	Woodhill Rd.	(ca. 1768)
5. Person, Roy	White Rock Hill Rd.	(ca. 1781)
6. Tyrrell, Frank	River Rd.	(?)
7. Murray house (Ken Clapp)	Highway 3A	(?)
8. Welch, Lillian	Bow Center Rd.	(?)
9. Black home	Bow Bog Rd.	(?)
10. Nesbitt, John	Bow Bog Rd.	(?)
11. Gilbert, Ibrey	White Rock Hill Rd.	(?)
12. Chadwick home	South St.	(?)
13. Higgins house	Old Wood Hill Rd.	(? 1790)
14. Butler, Barbara	Dunbarton Center Rd.	(?)
15. Reynolds, Bion	Old Hollow Rd.	(?)
16. Prusia, W.	Logging Hill Rd.	(?)
17. Foote, Paul	Grandview Rd.	(?)
18. Dey home	Woodhill-Hooksett Rd.	(?)

If any town resident has any additional information, or is aware of a house, especially those built prior to 1800, that has been omitted from this list please contact any member of the Commission.

Some initial planning has been done for future use of the Old Town Hall in Bow Center. Various community groups have been contacted for advice and support in the possibility this building may be developed into a museum for the

town. A few pertinent artifacts have already been donated.

HIGHWAY DEPARTMENT

The Highway Department has been busy this winter trying to keep the roads passable. It has been a costly winter not only in parts, materials and man hours. I think that most of us have forgotten what an old fashion winter was due to the two previous easy winters with no snow.

We eliminated two water problems, both being on the Knox Road this past summer. The biggest one was at the Community Building. We laid approximately 380' of underdrain and added 4 new structures. This should take care of the ice problem and the water during the winter and spring from now on.

The Allen Road project is nearly 90% done as far as the graveling of the road bed. We will finish the graveling operation this spring.

We find it difficult to maintain the road surfaces due to the money appropriated for resurfacing of the road. This past year we were only able to resurface 5.14 miles of road. At this rate it will be 13 years before we get back to where we started. Enough money should be appropriated so at least one quarter of the town roads can be done each year.

There is approximately 70 miles of surface roads in the town. As you drive over the roads, you will notice the cracks, the breaking up of road edges and the depressions. Each one of these problems should be taken care of to keep the water from getting into the gravel box and this can only be done by shaping the road and by sealing it. If the roads are not kept in shape, we will find ourselves in the road building business again and it will be very costly.

It is our endeavor to do the very best we know how to keep our roads as passable as possible and wish to thank the people of Bow for the cooperation and help they have given us in the past, as well as for what help we might receive in the future.

Sincerely,

Irvin Clark
Road Agent

INDUSTRIAL DEVELOPMENT COMMISSION

This year started by providing support for the planning board on various ordinances and changes to help implement the master plan.

In the past, much effort went into developing future lands. From reactions at public hearings and at special meetings it is obvious the town, for the time being, wishes to work within the confines of existing I-1, I-2, and commercial zones without increasing land inventories in those zones.

The committee is now working on an inventory type map which will allow us to more accurately identify parcels available within the industrial and commercial zones. We hope these will be complete by the March town meeting for review.

The poor economy and the lack of water and sewer discouraged large amounts of building. The major bright spot in 1981 was the completion of two new hydro generators at Garvins Falls Station by Public Service Company. These should add a substantial amount to our tax base with a minimal impact on town services.

Joe Brigham
Charlie Coffin
Jon Evans
Bob Gosling
George Hamilton

LADIES AUXILIARY OF THE BOW FIRE DEPARTMENT

We started the year with 21 members in our Auxiliary. We held twelve meetings with the average attendance being 15. Our meetings are held on the first Thursday of each month at 8:00 p.m. in the Auxiliary room at the Bow Fire Station. All ladies in town 18 or over are cordially invited to join us. We also invite any girls between the ages of 16 and 18 to become Jr. Auxiliary members.

Our activities for the year were as follows:

1. We joined the Fire Department to serve a Turkey Supper.
2. We served a supper for the Fire Warden's Association.
3. We had a booth at the Town Carnival.
4. We had a Stanley Party, receiving a percentage of our sales in cash.
5. We had a Tupperware Party, receiving a percentage of our sales in cash.
6. Served lunches at the Football games.
7. We had our Annual Dance in October. Combining our efforts with the Fire Department.
8. We raise more money through a raffle each monthly meeting.
9. We donated to the Salvation Army and made donations to three families left homeless by fire.
10. We had our annual Carry-In Supper for fire department and Auxiliary members and their families.
11. We purchased many items for the Fire Department, some of which are: a chain saw, a cassette recorder, 10 pair of mittens and a check to pay for the repair of some of their gear.

12. We served lunches or meals whenever the Fire Chief requested us to do so.

We also increased in number by 3 members plus our first Jr. Auxiliary member Kris Goodwin.

Our officers for 1982 are President: Karen Laroche; Vice-President: Michele Laroche; Secretary: Priscilla Ordway; Treasurer: Juliette Eaton; Sunshine Committee: Marina Johnson.

Respectfully submitted.

Priscilla M. Ordway
Secretary 1981-1982

1981 ANNUAL REPORT OF THE BOW PLANNING BOARD

The year proved to be a busy one for the Planning Board.

There were 3 major sub-divisions approved totaling 19 lots, 8 minor sub-divisions totaling 15 lots, 9 non-residential site plans were reviewed and there were 3 property line adjustments.

The Planning Board held several public hearings and informational meetings in regard to zoning changes brought about by the creation of the Master Plan. The Board also held several work meetings along with the Planning Board Steering Committee to finalize wording and maps for the Master Plan.

The Planning Board would like to extend their thanks to all the many citizens who helped with the Master Plan, either by working on committees or attending meetings.

A special thank you to Ken Andrews for his advice and many hours of help.

Respectfully submitted by,

Michael Moyers, Chairman

Barbara Gore

The year 1981 was a very busy, but productive, one for your Police Department and I'm proud to announce to all residents that although national and statewide statistics continue to show that crime rate is still on the increase, Bow had a decrease, compared to 1980. In 1981 there were 24 burglaries reported, a 57% decrease over 1980 in which we had 55 reported. Of the 1981 burglaries, 20 occurred at residences which is a 45% decrease over 1980 and the remaining 4 burglaries occurred at industries which dropped 210% over the 1980 total. The major items being taken in burglaries were sterling silver, gold jewelry, money, tools, guns and chain saws.

Thefts also declined by 9%. In 1981 there were 94 reported thefts compared to 103 in 1980. Criminal Mischief and Criminal Trespass did, however, increase 14% and 60% respectively.

In addition we had a very high CLEARANCE record for these crimes, compared to the national average.

Crime	1981 Total reported	1981 Cleared	1981 % Cleared	1980 National Average
Burglaries	24	14	58%	14%
Larceny (theft)	94	46	49%	18%
Criminal Trespass	16	8	50%	N/A
Criminal Mischief	148	39	26%	N/A

We also managed to clear 58 out of 71 juvenile complaints/investigations or 82%.

I believe the main reasons for the declines in 1981 were due to increased cruiser patrols which totaled 90,250 miles in 1981 as compared to 68,683

miles in 1980 — (figure includes the additional daytime patrol), concerned citizens reporting suspicious vehicles and persons to us, well trained officers, communicating with other departments, and a high morale, close-team working department with all striving toward the same goal. Don't let our 1981 statistics take you off guard because crime is a constant occurrence.

Nationwide in 1980 a motor vehicle was stolen every 28 seconds, a theft occurred every 4 seconds, a burglary every 8 seconds, aggravated assault every 48 seconds, a robbery every 58 seconds, a forcible rape every 6 minutes and a murder occurred every 23 minutes.

Reportable Motor Vehicle Accidents totaled 58 in 1981, a 42% decrease over 1980. Twenty of these accidents occurred on Route 3-A. I'm pleased to say that none of the accidents were fatal.

In 1981, various officers of your Police Department attended 13 different training schools.

Our renewed Crime Prevention Program titled **National Neighborhood Watch Program** which I had hoped to initiate last spring is now tentatively set for March of 1982. Our preparation time was cut short (although materials, stickers, etc. have been received) due to a rash of spring burglaries, criminal investigations, being short an officer and the month-long Juvenile Officer Institute School which was in session during March and April.

A few residents of Bow requested and received our home SECURITY SURVEY CHECK. Please don't hesitate to call us regarding this.

The Drug Talk/Display Program which was started last spring at Town Meeting has been well received by everyone. We're now hoping to hold Drug Talk classes at Bow Memorial School with the students.

The continuing Bicycle Safety Program in the spring as well as the new Junior Police Officer Program which was held in the fall at the Bow Elementary School were both received with great enthusiasm by the students. I'm exceptionally pleased with the Jr. Police Officer Program which the Bow Rotary Club assisted us in sponsoring.

In December 1981, we launched a new program call **OPERATION CALL IN** which is for all elderly, Senior Citizens or residents living alone. A few people have registered. We want to see more respond — it's a free service. Please call us today.

On numerous occasions in the past and on the increase during 1981, we

have had complaints or burglar alarms come in while the cruiser was still investigating or responding on an initial call — in some cases, both calls were of serious nature where response is of utmost importance. With the 1982 budget which I have proposed, I hope to eliminate this potentially dangerous situation by having more 2-cruiser patrols during the evening shift.

There were additional burglar alarms tied into the Digital Alarm System at Dispatch in 1981 as well as other types of audible alarm systems being installed. If interested in information or if you have any questions, please feel free to call us.

At this time I want to thank the members of the Bow Fire Department, Highway Department and Bow Rescue Squad for your assistance at accidents and other emergencies.

To the citizens of Bow, I sincerely thank you for your support, interest, cooperation and assistance you've given us over the past year. It has been greatly appreciated. Remember — your Police Department is here to SERVE AND PROTECT you.

Respectfully submitted,

Peter A. Cheney
Chief of Police

REPORT OF RECREATION COMMISSION

This past October saw the conclusion of Mr. Robert Wheeler's services as Director, Parks and Recreation. Since Bob's appointment in 1976, his knowledge, experience and hard efforts have been instrumental in achieving the Department's present level of maturity. Of particular note has been his effort in the development of the Hanson Memorial Recreation Area and in organizing the many enduring adult recreation programs. The Commission appreciates his contribution and acknowledges that his presence and personable manner will be missed.

Near the end of 1981, the Recreation Commission completed work on a Recreation Master Plan which provides flexible guidelines to effectively plan the Department's future. An analysis of the historical data resulted in a significant conclusion that the Department and its programs have achieved a mature level of development since its inception ten years ago. The primary goals now are to protect the initial investments in facilities and program development while orienting the future direction of the Department towards the ever changing desires of the community for recreational services.

The Commission has selected Miss Sandra Tremblay to assume the duties of Director on a part time basis initially. Sandy's excellent experience in recreation and education plus her love for the outdoors will add a new program dimension for both the young and the not-so-young. We welcome her and encourage anyone to contact Sandy with ideas for activities that would be of interest. Office hours are six to nine on Wednesday evenings at the Community Building. (Telephone 224-9361). A complete listing of activities is available from the Department.

The Commission appreciates the thousands of hours of volunteer efforts by many people and civic organizations that have added to the total recreation program that is available for all our residents. We also thank the townspeople for their support of the Recreation Department.

Respectfully submitted,

James E. Gergler, Chairman
William H. Hilton, Ex-Officio
Virgil G. Allen
V. Michael Blake
Roger H. Lagasse

REPORT OF BOW RESCUE SQUAD

The Bow Rescue Squad ended the year 1981 with a total of 187 runs, 9 less than the previous year.

These runs included:

- 74 Bow Residents - Non Vehicle
- 14 Non Residents - Non Vehicle
- 14 Motor Vehicle accidents
- 6 Interstate Motor vehicle accidents
- 15 Bow Industries
- 1 Mutual Aid
- 64 Stand-by's for Fire Dept.
- 103 Vehicle (52-X1) runs to Concord Hospital
- 109 Patients Transported to Concord Hospital

At present we have 18 active members on the Squad, 12 are EMT's and 6 are advanced First Aid & Emergency Care certified. All members are CPR certified and hold NH Ambulance Attendance Licenses. We have also acquired the services of a NH Physician to be the physician sponsor for the Squad.

In-Service training is provided for the members and several have attended workshops, patient reviews and seminars pertinent to emergency care in other areas of the state.

Officers for 1982 are as follows:

- Robert Lougee - Director
- Charles Coffin - Assistant Director
- Margaret Francoeur - Secretary
- Rita Barry - Treasurer
- Susan Murphy - Trustee
- Roger McMillen - Trustee
- Nancy Wiren - Trustee

Anyone interested in volunteering their time to provide emergency care to their Town are invited to join us on Wednesday's 7-9 PM at the Fire Station. (New Training/Meeting Building Summer-Fall 1982).

To report a medical Emergency, call the Bow Dispatch Center, 228-0511 and give clear and concise information including:

- 1) Name
- 2) Address of scene and/or location
- 3) Extent or nature of emergency

ROBERT J. LOUGEE, Director
Bow Rescue Squad

BOW ROTARY CLUB

The Bow Rotary Club, chartered in 1970, is a member of Rotary International, a world-wide organization with more than 18,000 clubs and over 850,000 members in 152 countries. The Rotary objective is to encourage and foster the ideal of service as the basis of worthy enterprise and to practice THE FOUR-WAY TEST "Of the things we think, say or do:"

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

In Bow, the Rotary Club with their annual auction raises funds for scholarships which are awarded to Bow students to assist in financing their post-secondary education. The Club encourages family participation in Town activities and assists other non-profit groups. The Bow Rotarians also work with other Bow organizations to sponsor the Annual Spring Carnival.

Other Town activities include conducting the Annual Sports Equipment Exchange, which provides the opportunity for many people to buy and sell sports equipment to their mutual benefit, and The Bow Winterfest, a time for Bow families to have winter fun together.

All of these functions are successful in a large measure because of the continued interest and INVOLVEMENT of Bow citizens. For the support we receive we are deeply appreciative.

Frank Hirsch, President
Michael Wagner, President Elect
Alan Kanegsberg, Vice-President

Bill Johnson, Secretary
Ira Evans, Treasurer
Phil Ryan, Immediate Past President

BOW SEWER COMMISSION

Meetings of the Bow Sewer Commission are held on the first Monday of each month at the Bow Municipal Building, commencing at 6:00 p.m., and interested citizens are invited to attend these meetings.

In 1981, the Commission has been actively working on an agreement with the City of Concord relative to joint ownership of the Hall Street Wastewater Treatment Plant in Concord, for the future use by Bow residents and industry. In this regard there is an article in the Warrant for the 1982 Town Meeting to see if the Town will vote to reaffirm the authority of the Sewer Commission to negotiate an agreement with the City of Concord for the purchase of a 10% share of the Hall Street Wastewater Treatment Plant. The article appears in the Warrant as a result of a recommendation by Town Counsel that the authority of the Commission be reaffirmed due to the fact that there are some differences between the contract that was originally on file in 1978 and the contract as it now exists. However, it is still the feeling the Sewer Commission that the Town of Bow should enter into an agreement to purchase a 10% share of the treatment plant.

The Commission also held joint meetings with the Sewer Commissioners of Allenstown, Pembroke and Hooksett to investigate the possible use of their waste treatment facilities for the benefit of residents and industry in Bow.

Data was submitted to the Board of Selectmen in connection with the Capital Improvement Program for a five-year period, including the estimated cost to build and maintain certain sewer lines in Bow and for the estimated purchase cost and operating costs for Bow's share of the Hall Street Wastewater Treatment Plant.

The Commissioners would like to express their appreciation to Town Engineer Kenneth Andrews for the great deal of assistance that he has provided throughout the year.

Respectfully submitted,

Kenneth A. Bradley, Chairman
Cedric H. Dustin, Jr.
Raymond W. Godbout

THE BOW PIONEER SNOWMOBILE CLUB

The Bow Pioneer Snowmobile Club will be celebrating it's tenth anniversary this year on May 8. It has been the endeavor of the past and present officers to promote and build a trail system throughout the town. This year we have opened two new trails, one over local landowners property and one thru town owned land. We are extremely grateful to our local landowners whose cooperation and understanding has been essential in helping us establish a trail system within the town.

The highlight of this season will be our March meeting, when we will host a landowners appreciation dinner and celebrate our 10th anniversary.

We have supported a softball team through the Bow Athletic Club, and also support the Boy Scouts and other local organizations through direct contributions. The New Hampshire Easter Seal Society will benefit again this year from our part in the annual charity ride in. We have made and contributed to Easter Seal over \$450.00 this year from various fund raising projects.

Snowmobiles from the Seacoast area will be traveling through the Bow trail system this year on their way to Keene, N.H. This city will host the annual charity ride. In excess of \$33,000 was raised by different snowmobile clubs for Camp Easter Seal, a N.H. based camp for crippled Children, in New Durham, N.H.

The Bow Pioneer's meet, September through May, on the third Thursday of each month at 7:30 p.m. at the Bow Community Building. We invite all snowmobilers to join us. Contact any one of the officers or directors for more information.

Respectfully submitted,

Albert B. LaPierre, President

Officers:

President - Albert LaPierre
Vice President - Louise Godbout
Secretary - Faye Johnson
Treasurer - Jacqueline Perrin
Past President - John Violette

Directors-

Ray Johnson
Richard Welch
Jackie Warriner
Robert Drouin
Howard Tilton
Walter Stevens

TOWN ENGINEER AND BUILDING INSPECTOR

Though the economy drastically reduced the amount of new Residential construction in Bow during 1981, we have been fortunate in having an above average amount of non-residential activity. Some of the major projects included the retrofitting of the Garvins Falls Hydro Station and a new warehouse at the H. K. Webster complex on Hall Street.

This office has again tried to maintain a working relationship with the Townspeople and we appreciate the cooperation of all involved. We have been involved in the completion of plans and initial construction of the remainder of Allen Road. We initiated studies for future consideration of drainage work on Putney Road.

Activities within the Department included implementation and use of our new Tax Maps. I feel that the new maps will greatly aid the Town of Bow — its citizens as well as all of the various Boards and Commissions that will utilize them. We also have completed the field work as well as clerical work required to finalize the Perambulation of our Corporate Limits with Concord, Hooksett and Hopkinton. The initial work with Dunbarton is done and by this time next year our Corporate Limits will have been reestablished and documented. The work outlined in the specifications for the Tax Maps allowed a degree of accuracy that will allow the new descriptions of the Town Lines to stand forever. The Perambulation has been long overdue and I would like to thank the Boards of Selectmen from the surrounding Towns and the Representatives from the City of Concord for their time, effort and cooperation in this effort.

Also, during 1981 this Department formulated a new numbering system for the Town. Although the Postal Department has continually forced the changing of the mailing addresses in Bow, this new system is designed initially for use by the Safety Services Departments in Bow. The Police, Fire and Rescue Departments, upon implementation of this new system will be able to more readily locate and respond to emergencies. Once this new system is put into use and is proven effective and useful, we will be able to finally establish a numbering system for the Postal Department, thus eliminating the confusion and constant alteration. The system, basically is a lot number for every street in Bow. Your patience and cooperation during the implementation of this new system will be greatly appreciated.

We have again been actively involved in the issuance of Permits and conclusion of inspections on woodstoves and chimneys. I would like to take the opportunity to explain that though we receive numerous complaints about the need for Permits and inspections, the Town of Bow has reason to be proud. We have proved that the program works. The Fire Department with its educational

programs, and the chimney brush program and the valuable inspections has been an asset. I cannot thank the Department enough for their assistance during the past year.

After much talk about the updating and documentation of records of cemeteries in the Town of Bow, we finally can honestly say that the numbering and indexing of lots in Evans and Alexander Cemeteries has been completed. This means that all cemetery lots in these two cemeteries can be referred to by number which eventually will be depicted on maps on file in the Town Clerk's office. The issuance of deeds will be forthcoming as time is available to do so.

We would like to extend our appreciation and thanks to the Board of Selectmen and members of the other Boards for their continued cooperation and understanding thru this past year.

Kenneth W. Andrews
Town Engineer and Building Inspector
Paul Lindquist
Assistant Building Inspector

BUILDING PERMITS

Number	Class of Construction	Estimated Cost
16	Single Family Homes	\$ 942,000.00
13	Residential Garages	84,500.00
5	Sheds and Barns	14,300.00

CONCORD REGIONAL VISITING NURSE ASSOCIATION

Visits made during the year beginning
October 1, 1980 to September 30, 1981 were:

Nursing	400 visits
Home Health Aide	187 visits
Physical Therapist	80
Homemaker	351 units
Nutritionist	0
Occupational Therapist	3

The Concord Regional Visiting Nurse Association, Inc., continued to service Bow for this past year. They have provided skilled nursing care for anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressing, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurse's visits.

Therapy services: such as, physical therapy, speech therapy, occupational therapy, and nutritional guidance have been given by the therapists in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff of homemaker/home health aides is available to give physical care, do light housekeeping, and assist with meal planning and meal preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition, sickness, and accident prevention.

Anyone in Bow may request these services-doctor, family, pastor, friend, or the patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing home care can be provided only under a doctor's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9:00 p.m., seven days a week is all that is necessary to start services or make inquiries. Fees may be scaled for those unable to pay the charge if that person has no other funding source available, such as insurance coverage. The patient will be responsible for remainder of bill.

Sincerely,

LUTIE K. PIPER
Executive Director

REPORT OF BOW WATER COMMISSION

In October of 1981, the engineering firm of Dufresne-Henry, Inc. was selected and contracted to perform a Water Resource Study and prepare a report on the Study for the Town of Bow.

Four specific areas were delineated by the Town to be included in the Study.

1. An evaluation of areas with potential for gravel aquifer wells including data obtained from test wells drilled during the Study.
2. An evaluation of areas with potential for rock wells.
3. A preliminary assessment of underground water flow.
4. An inventory of known sources of potential contamination.

It was determined that the results of the Study would be shown on a map of the Town at a scale of 1" = 1,000 feet as part of the Report. During the months of November and December, the Study was performed.

The work consisted of map review, geological field investigations, test well drilling, topographical review, aerial photograph examinations and interviews with Town Officials.

The Study was completed and the Report submitted to the Water Commissioners in January. The conclusions of the Study are as follows:

1. There appears to be a major aquifer having a high gravel well yield potential located on the northeast side of the Town of Bow between Route 93 and the Merrimack River which may have the potential to serve as a municipal water supply for the Town of Bow or serve a large industrial user. The aquifer runs approximately parallel to River Road extending from Johnson Road in a northwesterly direction towards Old Ferry Road to the Merrimack River.
2. Water quality analyses performed during the course of this Study show that high concentrations of iron and manganese exist in the areas from which the samples were obtained.

3. A considerable number of bedrock fractures exist in Bow with a majority concentrated in the area north of Branch Londonderry Turnpike between Robinson Road and Turee Pond.
4. Six (6) major drainage basins exist in Bow with the Bow Bog Brook Basin being the major drainage basin within the Town feeding towards the aquifer referred to in No. 1 above.
5. Most of the major potential sources of groundwater contamination in the Town of Bow are located on the northeast side of the Town between Route 93 and the Merrimack River. Several are located outside of this area near the built-up area along Bow Center Road and Logging Hill Road.
6. Very few surface discharges of either domestic sewage or industrial waste exist in Bow. None of these discharges appear to pose a serious contamination threat.
7. Most of the groundwater contamination potential in Bow consists of stored materials and "dumps" used to dispose of waste materials. For example, a number of fuel and salt storage areas exist in Bow as well as sanitary landfill sites, a junkyard and a fly ash disposal area.
8. Based on the proximity of potential contamination sources to the aquifer located on the northeast side of the Town, it appears that the potential for contamination is high.

Based on these findings, the Engineer has recommended that a test well program be performed in the area considered to have major gravel well potential to determine the extent of the aquifer and the potential yield available; to more closely determine the groundwater table location and direction of flow in the area of the aquifer and to determine the quality of the groundwater within the aquifer.

Once the aquifer has been evaluated in more detail, it is recommended that the Town of Bow consider adopting some form of land use control to protect this major potential groundwater source and consider performing limited groundwater monitoring in the area of potential contamination to serve as a baseline for future water quality comparisons

BOW WOMAN'S CLUB

Having been chartered in 1976, the Bow Woman's Club started this year celebrating its 5th Anniversary with the General Federation of Women's Clubs. Through the years the key goal to describe our club has been service and it continues to be the same this year. Although we have committed ourselves financially to local organizations, we feel, like many other town residents the greatest gift one can give their community is the gift of themselves.

We accomplish this in many ways. Some of our most recent ongoing programs: "Storytime" at Baker Free Library, Cardiopulmonary Resuscitation courses, babysitting clinics, air pollution education, scholarship funds, circulation of the Bow Informational Booklet, participation in the Bow Winterfest and the Bow Spring Carnival.

We take pride in working with the many fine organizations in our town and have expanded our services this year by working with the Bow Recreation Commission to organize a Halloween Party for our elementary school children; the Bow Conservation Commission on recycling and energy conservation and the Bow PTO Craft Fair.

Our meetings are held at Baker Free Library the 2nd Tuesday of each month from September to May at 7:30 p.m. All women interested in the objectives of the club are invited to attend the meetings.

Many thanks to the residents, fine leaders and members of town organizations who have helped us achieve our goals this year. A special thanks to the youth of our town, members of Boy Scouts Troop 86 and 4-H Bow Leprechauns, for their help and support.

Respectively submitted,

Sharon Pearce
President

Judy Ryan, Vice President
Yvonne Denoncourt, Secretary
Sue Carpenter, Treasurer

BIRTHS REGISTERED IN THE TOWN OF BOW, NEW HAMPSHIRE **For the Year Ending December 31, 1981**

REPORT OF THE ANNUAL MEETING OF THE BOW SCHOOL DISTRICT

Friday, March 13, 1981

A duly called meeting of the legal voters of the Bow School District was held at the Bow Memorial School on Friday, March 13, 1981, at 8:00 p.m. The meeting was called to order by Dom D'Ambruoso, Moderator, who announced the results of the School Board election. Robert Gosling was elected School Board member for a three year term in the only contested seat of the District elections. Mr. D'Ambruoso then announced that the newly elected officers would be sworn in following the meeting.

The Moderator then proceeded with the reading of the School Warrant upon which the following action was taken:

Upon motion duly made and seconded, it was

VOTED: to accept the salaries of the School Board and the compensation of any other officer or agent of the District as they are printed in the Town Report. (Article 1)

Upon motion duly made and seconded, it was

VOTED: to accept the reports of Agents, Auditors, Committees, or Officers chosen as they are printed in the Town Report. (Article 2)

Upon motion duly made and seconded, it was

Discussion: Mr. Fortin presented background and noted that there aren't any funds needed for this article.

VOTED: that the District authorize the formation of the Secondary Education Cooperative Study Group to investigate the feasibility of the School Districts of Auburn, Bow, Candia, and Hooksett with respect to secondary education (Grades 9-12), and to report back to their respective Boards with their findings on or before December 31, 1981. (Article 3)

Upon motion duly made and seconded, it was

VOTED: that the District authorize the School Board to make application for and to expend, on behalf of the District, any or all grants or

offers for educational purposes which may now or herewith be forthcoming from the State of New Hampshire and/or United States Government and to appropriate any funds anticipated from the State of New Hampshire and/or from the United States Government to the payment of obligations of the District for which said Government's funds constitute full reimbursement provided such grants and/or funds do not jeopardize the local control of our school system. (Article 4)

Upon motion duly made and seconded, it was

VOTED: that the District establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for this purpose. (Article 5)

Upon motion duly made and seconded, it was

Discussion: Mr. Swenson reported that since this article was submitted by petition, the Board and teachers have agreed to a Master Contract.

VOTED: To defeat Article 6. Article 6 would have raised and appropriated \$850,000 for the purpose of compensating District teachers in an amount which is both commensurate with their professional contribution to the high quality of education in this District, and comparable to salaries paid in districts of similar financial means and high concern for retaining quality educators.

Upon motion duly made and seconded, it was

Discussion: Mr. Swenson urged defeat of Article 7 for the same reasons as for Article 6.

VOTED: to defeat Article 7. Article 7 would have voted to recess and to continue the 1981 Annual District Meeting until a day not less than ten (10) days following the release of a fact finding report to be issued pursuant to Chapter RSA 273-A with respect to negotiations between the Bow Education Association, and the Bow School Board, or until April 18, 1981, whichever is sooner, in order that the voters may fully consider all relevant factors before voting on appropriations.

Upon motion duly made and seconded, it was

Amendment: VOTED to add to end of Article 8 “and that for the next year’s annual report included in the Town Report, that in addition to the budget format required by law, the School Budget be presented to include: prior year actual expenditures; current year budgeted; and proposed next fiscal year’s budget, including a line item breakdown under each major sub-heading. (Submitted by Barbara Johnson.)

Amendment: DEFEATED: to substitute the figure two million, eight hundred nineteen thousand, nine hundred seventy-seven dollars (\$2,819,977.00). (Submitted by Robert Lynn.) Ballot vote: 83 No, 67 Yes.

VOTED: that the District raise and appropriate two million, nine hundred sixty-seven thousand, two hundred twenty-two (\$2,967,222.) for the support of schools, for the salaries of the School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town and that for next year’s annual report included in the Town Report, that in addition to the budget format required by law, the School Budget be presented to include: prior year actual expenditures; current year budgeted; and proposed next fiscal year’s budget, including a line item breakdown under each major sub-heading. (Article 8 with voted Amendment.)

Upon motion duly made and seconded, it was

VOTED: that next year’s School District meeting be held on the same evening of the week as Town Meeting, one week later. (Submitted by Lynn, seconded by Violette.)

John Swenson then thanked Norman Fortin for his four year contribution to the Bow School Board.

The Moderator declared the meeting adjourned at 11:00 p.m.

KATHLEEN K. BARGER

BOW SCHOOL DISTRICT WARRANT

1982

The State of New Hampshire

To the Inhabitants of the School District in the Town of Bow qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE BOW MEMORIAL SCHOOL IN SAID DISTRICT ON THE SIXTEENTH DAY OF MARCH, 1982, AT EIGHT O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

1. To determine and appoint the salaries of the School Board and fix the compensation of any other Officer or Agent of the District.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To see if the District will vote to raise and appropriate \$7,000. to fund a portion of the costs incurred in hiring an architect and/or educational planner to assist the Secondary Education Cooperative Study Group investigating the feasibility of a cooperative high school for the School Districts of Auburn, Bow, Candia and Hooksett; said committee to report back to the participating School Boards not later than December 3, 1982, with their recommendations. However, unless both Bow and Hooksett School Districts appropriate their share of costs, this appropriation shall become null and void. (Recommended by Budget Committee.)
4. To see if the District will vote to authorize the School Board to make application for and to expend on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States Government and to appropriate any funds anticipated from the State of New Hampshire and/or from the United States Government to the payment of obligations of the District for which said Government's funds constitute full reimbursement provided such grants and/or funds do not jeopardize the local control of our school system.
5. To see if the District will vote to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) for this purpose. (Recommended by the Budget Committee.)

6. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.
7. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID BOW THIS 16TH DAY
OF FEBRUARY, 1982.

AUDITOR'S REPORT

To the Members of the
School Board
Bow School District
Bow, New Hampshire

We have examined the combined financial statements and the individual fund and account group financial statements of the Bow School District as of and for the fiscal year ended June 30, 1981, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund and account group financial statements referred to above present fairly the financial position of the Bow School District at June 30, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Bow School District. The information has been subjected to the auditing procedures applied in the examination of the combined, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

October 22, 1981

NOTES TO THE FINANCIAL STATEMENTS

June 30, 1981

Bonds payable at June 30, 1981, are comprised of the following individual issue:

General Obligation Bonds

\$2,240,000 1978 Elementary School
Bonds due in annual installments of
\$375,000 through September 15, 1983,
and \$370,000 through September 15,
1984; interest at 5.10% \$1,490,000

The annual requirements to amortize all debt outstanding as of June 30, 1981, including interest payments, are as follows:

Annual Requirements To Amortize Long-Term Debt

Fiscal Year Ending June 30,	General Obligation Debt		
	Principal	Interest	Total
1982	\$ 375,000	\$ 66,428	\$ 441,428
1983	375,000	47,302	422,302

1985	<u>370,000</u>	<u>9,435</u>	<u>379,435</u>
TOTAL	\$ <u>1,490,000</u>	\$ <u>151,470</u>	\$ <u>1,641,470</u>

The bonds are general obligation debt of the School District, which is backed by its full faith and credit.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Bow

I herewith submit my 1981 Report concerning the public schools of Bow.

The 1981 Bow Accountability Program is the result of months of effort by teachers and administrators representing the schools in School Administrative Unit #19. The purpose of this report is to present information about the educational progress of its students to the citizens of Bow.

During the week of May 25, 1981, all students in Grades 4 and 8 participated in a testing program which assessed students' abilities in reading, writing, mathematics, and United States and New Hampshire history and government. Students in Grades 4 and 8 were tested in all three areas and were also asked to complete a writing sample.

The staff and administration of the Bow Schools will use the results of this testing program to provide:

1. A comprehensive measure of student performance in relation to the essential student outcomes;
2. A basis for curriculum revision and changes in resource allocation;
3. A means of identifying those students whose scores indicate a need for program changes and/or remedial attention.

The tests used in this assessment reflect only a portion of the school curriculum, because the assessment program is not intended as a means of judging the adequacy of the total educational program. The results provide a profile on how well Bow students are able to demonstrate certain targeted skills and knowledge in reading, mathematics, writing, and United States and New Hampshire history and government.

The summary which follows is a report of the average performances of pupils who were tested. The basis for the test content in each subject area was developed by committees of S.A.U. #19 teachers for grades 4, 8 and 11. The test questions attempted to evaluate the average achievement level of all pupils in a particular grade.

The teacher committees first developed essential student outcomes and performance indicators which served as goal statements and learning objectives from which the tests were then developed. The S.A.U. #19 planning group,

made up of teachers, board members and administrators from all S.A.U. districts reviewed the work of the committees after which each School Board in the S.A.U. adopted the goals and objectives.

After the tests were administered in late May, 1981, they were scored and the results printed at the computer center at Goffstown Area Junior/Senior High School. The test results in each subject area are summarized as follows:

A. Math

Grade 4

The grade 4 math accountability test consisted of 40 questions that were based upon 12 objectives. Eighty-two students were tested, and they demonstrated greatest proficiency in the computational skills of addition and subtraction. Degree of accuracy declined somewhat in the areas of multiplication and division. Students also showed proficiency in solving measurement problems. Some students experienced difficulty in working with geometry concepts and solving word problems.

Grade 8

The grade 8 math accountability test consisted of 82 questions that were based upon 15 objectives. Eighty-two students were tested, and they demonstrated proficiency in basic operations with whole numbers, interpretation of graphs and scales, and one-step word problems. Student performance was lower in solving problems involving integers, numeration (place value), geometry concepts, percents, and probability and finance.

B. Language Arts

Grade 4

The grade 4 language arts accountability test consisted of 81 questions that were based upon 11 objectives. Eighty-three students were tested, and they demonstrated proficiency in phonic analysis (consonants and vowels), word structure and meaning, parts of a book (index and table of contents) and alphabetizing. Some students experienced difficulty with dictionary skills.

Grade 8

The grade 8 language arts accountability test consisted of 96 questions that were based upon 10 objectives. Eighty students were tested, and they demonstrated proficiency in literal comprehension (story detail and recall) and in interpretation of diagrams and charts. Most students demonstrated skill in interpretive comprehension (implied meaning, character analysis, and inference) and study skills. Student performance was lower in critical comprehension (author point of

view and attitude) and punctuation.

**C. United States and New Hampshire History and Government
Grade 4**

The grade 4 social studies accountability test consisted of 44 questions that were based upon 10 objectives. Eighty-two students were tested and were most proficient in answering questions concerning N.H. climate, identifying and distinguishing between natural and man-made features of the landscape, and interpreting cause and effect questions. Performance was lower on map interpretation and identifying the structure and functions of government. Students also experienced difficulty with questions concerned with the change process in history, probably because this is a fairly abstract concept for 4th grade students.

Grade 8

The grade 8 social studies accountability test consisted of 49 questions that were based upon 9 objectives. Eighty-three students were tested and performed most proficiently in identifying and distinguishing between natural and man-made features of the landscape. With respect to research skills, students were able to correctly identify sources of information, but had difficulty matching quotations with historical documents. Student performance was lower with questions dealing with cause and effect, the process of historical change and the structure and functions of government.

As the final step in the accountability process, a committee of teachers and administrators has prepared a management plan by which the school district will respond to the learning needs revealed by the assessment. This plan will be presented to the School Board and will contain recommendations in the areas of curriculum, staff development and instructional resource needs. Students in grades 4 and 8 will be tested each May in order to measure improvement in performance.

SPECIAL NEEDS

As a result of the passage of Federal and State statutory requirements governing the education of handicapped persons, local school districts have had to adopt policy and implement programs to insure that they were in full compliance with the mandates of these laws. This has had a serious impact on local education agencies, referred to as the LEA. In light of this fact, it seems fitting at this time to share with you a brief summary of the imposing laws and how Bow is responding to the issues involved in providing the learning environments called for in each of our schools.

With the passage of the Civil Rights Act of 1964, many issues that were brushed under the rug in the past became court issues that required definition and legislative response. In 1973, Public Law 93-112, "The Rehabilitation Act," was passed. Section 504 of this law was very specific in its interpretation of the rights of the handicapped citizen and was, in fact, the first law to protect the civil rights of handicapped people. In order to interpret the Department of Education's plan to meet its responsibilities under section 504 of this act, Public Law 94-142, "The Education for All Handicapped Children Act," was enacted in 1975. This law spelled out to the states the regulations of the law and required that each state develop and submit standards to insure full compliance by the individual state with the requisite legislation. These standards became binding upon all persons and public and private agencies providing or having the responsibility for meeting the educational needs of handicapped students. In New Hampshire, the standards grew directly out of the legislative mandates which require a free and appropriate public educational service for any person deemed to be educationally handicapped by their local school district in order to assist these people to achieve their potential in society. It bears mentioning at this point that New Hampshire was one of the few states that had state legislation as far back as the year 1965 which made it obligatory that handicapped persons be provided with educational programs.

In New Hampshire, the LEA has the responsibility of providing educational services to all children who reside in their geographic area of responsibility under Revised Statutes Annotated relating to Public School Chapters 193 and 194, Sections 193:4, 193:14 and 194:27. Effective July 1, 1965, the following Declaration of Purpose was stated under Revised Statutes Annotated relating to Public School Chapter 186A:1:

"It is hereby declared to be the policy of the State to provide the best and most effective education possible to all handicapped children in New Hampshire."

The New Hampshire Legislature met to review R.S.A. Chapter 186 in an effort to be more definitive in meeting the requirements of federal laws and to assess and implement a source of funding to carry out the mandates of these laws. On July 1, 1981, under a new piece of legislation, Chapter 186-C became effective. This R.S.A., under Section 186-C:1, declared it to be the policy of the State that all children in New Hampshire be provided with equal educational opportunities, stating it to be the purpose of this chapter to insure that the State Board of Education and the school districts of the State provide a free and appropriate public education for all educationally handicapped children.

The definition of an educationally handicapped child under this law means

any person three years of age or older, but less than 21 years of age, who has been identified and evaluated by a school district according to the provisions of R.S.A. 186-C:7 and determined to be mentally retarded, hearing impaired, speech or language impaired or both, visually impaired, seriously emotionally disturbed, orthopedically impaired, otherwise severely health impaired, deaf-blind, multihandicapped, or as having specific learning disabilities, and who, because of such impairment, needs special education or special education and educationally related services.

The following synopsis of programming in Bow will give a capsulated insight into how our schools are meeting the needs of our community's children who have been found to be educationally handicapped.

* * * * *

BOW MEMORIAL SCHOOL

Stephen O'Neil, Principal

Special Education at Bow Memorial School is provided through many channels of instruction as well as in several varied learning environments.

Most of the students coded as educationally handicapped are serviced in the regular classroom with a modified program, but those students who require a more direct approach or the employment of specific strategies are seen by the learning specialist. Those students who have an involved educational handicap are provided with related services to insure that their educational plan which has been devised by the building Core team meets with success.

The Bow Memorial School counselor is actively involved within the school program, along with serving as a member of the SAU #19 Placement Team. The counselor provides the necessary background information from the district when a child is being considered for outside placement.

Educationally handicapped students from the Bow School District enrolled in the Concord School District programs are monitored by local and SAU #19 staff. These staff members are involved in evaluation, development of Individual Education Plans and placement of these pupils in appropriate school programs.

BOW ELEMENTARY SCHOOL

John Lyford, Principal

Supportive services coordinated by the special education resource teacher and the school counselor working closely together are provided to students at Bow Elementary School who have been coded as educationally handicapped.

Frequently the special education resource teacher works with an individual student's classroom teacher to insure that the child's educational needs are being met while he/she participates in a regular classroom program. Whenever possible, the student is programmed in a setting with his/her peers and is removed only when his/her condition requires a more structured environment.

The special needs children at Bow Elementary School are provided with support and related services in the following areas--speech, occupational and physical therapy, instruction for the visually impaired and psychological testing and counseling--whenever their Individualized Education Plan, which has been devised by the building core team, states that this is required.

* * * * *

I wish to express my appreciation for the assistance and cooperation provided me by the administrators, teachers, School Board, and citizens of Bow. Without this assistance and cooperation, many of the things accomplished would have been left undone, and I look forward to another prosperous year--a year of continued cooperation.

Respectfully submitted,

ANTONIO G. PARADIS
Superintendent of Schools
N.H. School Administrative Unit #19
Bow, Dunbarton, Goffstown,
